**RE: APPLICATIONS TO RENT WATER FROM THE WATER SUPPLY BANK  
WATER RIGHT NO(S). 45-2746 45-11969 45-14401 45-14403**

Dear Applicant:

The Department of Water Resources acknowledges receipt of your applications to rent water from the Water Supply Bank. I have enclosed two Water Supply Bank Rental Agreements for your review and signature. Upon signature and return of the original agreements, together with the rental fee described below, the Department will also sign the original agreements and return executed copies to you. Execution of the agreements and compliance with the conditions of approval authorize diversion and use of water as provided in the agreements.

A rental fee of \$14,223.90 was calculated based on the current rental rate of \$17.00 per acre-foot times a total diversion volume of 836.7 acre-feet for both rentals. An annual payment shall be received by the Department prior to the execution of the agreements and prior to March 15 in all subsequent years for the duration of the rental period. The agreements will be void if payment is not received prior to the due date in a given year. If you would like to terminate either agreement prior to the end of the rental period, you must submit written notice of your intent to the Department at least 30 days prior to the rental fee due date.

Please send a check for \$14,223.90 made payable to the Idaho Department of Water Resources, together with the signed rental agreements, within 14 days so I can complete processing. Pursuant to the Water Supply Bank Rules, 90% or \$12,801.51 of the rental fee will be paid to the lessor(s) and 10% or \$1,422.39 will be retained by the Department to offset administrative costs.

If you have any questions, please contact me at (208) 287-4949.

Sincerely,

Nicholas Van Dyke  
Sr. Water Resource Agent
