Dear Mary and Roger:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right applications. A copy of each of the applications is attached for your reference.

These are being prepared for publication in the CDA Press on October 3 and 10, 2013 with October 21 as final date for protests to be received in our office.

Your prompt response to this request is appreciated. If your agency desires to formally protest the approval of any of these applications, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact this office if you have any questions regarding these applications.

Sincerely,

Dianne Ball

Good afternoon, Paige,

Please publish the enclosed legal notice on the dates indicated October 3 and 10, 2013 (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This is quite a long/large legal and it should be very close to press ready, 2-column, CenturyOldstyle font and 8pt.

Please send a proof/preview copy for my review before this goes to press. If at all possible I'd like to get that sometime next week because I will be out of the office starting 9/26, for a few weeks and I'd really like to see how this will look before I'll be off on leave, if there's any way you can accomplish that. ☺

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 10/21/2013. Your cooperation is very much appreciated.

Thanks for all your great help.

Application For Permit No. 95-16639

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 10/3/2013 and 10/10/2013. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Eric Davis
Senior Water Resource Agent
