

CONVERSATION MEMORANDUM

TO: Water Right Permit File No. 37-22712

FROM: Darla Block

DATE: September 12, 2013

SUBJECT: Do Not Change Mailing Address to Address Listed on the Proof Statement.

On August 13, 2013, the Department received proof of beneficial use from the permit holder. Upon my review of the proof statement against the water right permit, I noted a different address listed on the proof. Since the department mailed the proof due notice to the address of record with the department without fail, I felt it important to call the permit holder to verify which mailing address the permit holder would like the department to keep on record.

On September 12, 2013, I spoke with Tom Ellison. Mr. Ellison didn't want the address changed from the address listed on the permit. The mailing address for Legacy Residential LLC **is not** to be changed to the address listed on the proof statement.
