PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 97-7494

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and a \$100.00 license examination fee submitted for the above referenced permit. The license examination fee required for a surface water source with a rate of diversion of 0.20 cfs is \$50.00 therefore; I will initiate the process to refund the extra \$50.00 you submitted. You should receive a State of Idaho check for \$50.00 within ten (10) business days under separate cover for the fee you paid.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,
