RE: Notice of Change in Water Right Ownership No(s). 65-13040

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The additional information is a copy of the conveyance document- warranty deed, quitclaim, etc., and a filing fee. You can mail the document and fee to the address above.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 **per** water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. If there is no split required, we have determined the filing fee for this request is **\$25**.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please contact me at (208) 287-4910 if you have any questions regarding this matter.

Sincerely,
