RE: WATER SUPPLY BANK LEASE CONTRACT FOR RIGHT(S) 36-2415A 36-15356A 36-2550 36-8212

Dear Lessor:

Water Right(s) 36-2415A, 36-15356A, 36-2550 and 36-8212 were leased into the Water Supply Bank on September 17, 2013 in accordance with the executed original Lease Contracts enclosed. The portion of your right(s) described on the Lease Contracts is considered leased into the Bank, and should remain unused, until it is formally released from the Bank.

The rights will automatically be released from the Bank on **December 31, 2018**, unless the rights are released earlier by the Board, or upon your request. To release a right from the Bank prior to the release date, submit a written request on the Request to Release a Water Right from the Bank form. To request an extension of the lease period, submit a Request to Extend the Lease Term form along with applicable fees to the Department prior to the release date. These forms are available from our public website at <http://www.idwr.idaho.gov>. Please note your rights may not be available for immediate release if they have been rented.

Please review the conditions of acceptance listed on the Lease Contracts, including #3 which says:

"While a right is in the bank, the lessor may not use the right without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B."

If you have questions regarding this matter, please contact me at 287-4949.

Sincerely,

Nicholas Van Dyke
Sr. Water Resource Agent
