RE: Proof of Beneficial Use Due & Change in Water Right Ownership for Permit # 95-15287

Dear Mr. Hawkins:

The Department of Water Resources has reason to believe you may be the new owner of the property associated with water right permit no. 95-15287, which authorizes a total diversion of 0.20 cubic feet per second (cfs) of surface water for irrigation and recreation storage use from the Spokane River in Lot 3 (SW $\frac{1}{4}$ NW $\frac{1}{4}$) Sec. 8, Twp 50N, Rge 05W, B.M., Kootenai County.

This permit is currently in the names of James Grassi and Mary Louise Grassi, and is considered the personal property of both James and Mary Louise Grassi. If you are the current owner of the property listed above and it is your intent to change the name of the permit holder of record to Michael B Hawkins, an assignment of permit form must be filed with the department along with a \$25.00 fee.

A condition of permit approval required the permit holder to submit proof of beneficial use of water ("proof") to the Department on or before November 1, 2013. Correspondence mailed to James and Mary Louise Grassi was returned to our office marked by the Us Postal Service as "not deliverable as addressed", and we have no forwarding address for them.

If you are interested in taking over ownership of this permit for irrigation and recreation storage use from a pond on your property, you will need to contact the previous owners of the property to have ownership of the above mentioned permit assigned over to you. Enclosed for your convenience is an Assignment of Permit form.

I am also enclosing a copy of this permit for your reference, along with a copy of the proof due notice that the department attempted to send to the permit holders of record with the department. Proof of beneficial use is due November 01, 2013. If no response is received from you, this permit will lapse and your authorization to develop and/or use this water right will be cancelled.

Section 42-248, *Idaho Code* requires that all persons owning or claiming ownership of a water right shall provide notice to the department of any change in ownership of any part of a water right or any change in the owner's mailing address.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
