CONDITIONS OF APPROVAL

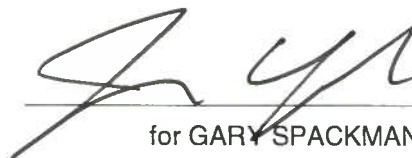

1. Proof of application of water to beneficial use shall be submitted on or before **October 01, 2014**.
2. Subject to all prior water rights.
3. Recreation storage is for a pond at the Salmon golf course used to temporarily store water diverted under right 74-15043.
4. The pond established by the storage of water under this right shall not exceed a total capacity of 6.5 acre-feet or a total surface area of 0.5 acres.
5. Prior to diverting water under this right, the right holder shall mitigate for the consumption of water under this right by ceasing the diversion and use of surface water to irrigate the authorized place of use for this right. The applicant shall notify the Department that the applicant has enrolled water right no. 74-644 in the Water District 74 rental pool with the written acknowledgement of the local rental pool committee that the right will not be rented and used for any purpose. Water shall not be used under this right if right no. 74-644's enrollment in the local rental pool is terminated. Right no. 74-644 is also being used to mitigate the consumption of water under right nos. 74-15043 and 74-15994.
6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74.

State of Idaho
Department of Water Resources
Permit to Appropriate Water

NO. 74-15996

7. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
8. Noncompliance with any condition of this right, including the requirement for mitigation, is cause for the director to issue a notice of violation, cancel or revoke the right, or, if the right is included in a water district, request that the watermaster curtail diversion and use of water.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 10th day of September, 2013.

for GARY SPACKMAN
Director
