**RE: Contested Application for Permit No. 61-12274—Jeffrey
Hearing Date**

Dear Parties:

In late December, calendars for March April and May 2013 were sent out from this office to determine a workable hearing date for all parties. Unfortunately, we were not able to find a date that would work.

Attached are calendars for June, July, August, and September. Again, I would ask your cooperation in forwarding dates that you are available for each month by **February 20, 2013**. Please provide a minimum of at least 2 days (Mon.-Fri.) that you are available for each month.

I understand this time period is during the busy growing season, but the hearing process needs to be timely.

Should you have questions, please contact me at the Western Regional Office, phone 334-2190.

Sincerely

John Westra, Manager
