**RE: *Application for Water Right Transfer and Application for Exchange of Water
Submitted on Behalf of Linell Bills.***

Dear Blake:

Enclosed for processing is an *Application for Water Right Transfer* and an *Application for Exchange of Water* involving various water rights owned by Linell Bills. The water rights divert from Carmen Creek and Freeman Creek, which is a tributary to Carmen Creek, in the Salmon River drainage. We discussed this transfer and exchange a couple of months ago, so review of the documents should be familiar to you. We have also included the appropriate filing fees for both applications.

If you have any questions or concerns, please let me know.
