Hi Lori,

Thanks for your voicemail about Mark Tracy's Bank application for 63-3597B. To recap for Craig's benefit, we denied the Bank lease application for 63-3597B because it overlaps with permit 63-11773 and we were concerned about enlargement. Your voicemail indicated you submitted the field exam for 63-11773 along with the lease application for 63-3597B. I talked to Craig today and we are actively working on licensing 63-11773. Once 63-11773 is licensed, I will need you to submit a lease application for the proportional share of 63-11773 and resubmit the application for 63-3597B. Once we get those, we will review them. I am assuming there will be some proportional share of 63-11773 that needs to be offered to the Bank, so let me know once you get the license if I'm wrong.

Since I likely would have held onto the lease application for 63-3597B while waiting for 63-11773 to be licensed, there will be no new lease application fee for 63-3597B but there will be a \$250 lease application fee for 63-11773.

I hope you had a great Thanksgiving. Feel free to call or email if you need anything.

Monica
