PROPOSED CHANGE OF WATER RIGHTS

Black Mesa Farms LLC of PO Box 82, Glenns Ferry, ID, 83623, filed Application No. **78428** to transfer two water rights with 1963 and 1965 priority dates from the Snake River totaling 16.76 cfs. The purpose of the transfer is to authorize irrigation for purposes of preparing lands for planting and irrigation the following year (Field Prep Irrigation). The Field Prep Irrigation acres would be within the rights' currently authorized permissible place of use (PPU), but would be in addition to acres irrigated to produce crops during an irrigation season. This would be after crops are harvested but before irrigation season ends (10/31 – 11/15). Water will be used at the current place of use approximately 4 miles south east of Glenns Ferry, south of I-84 and west of the Snake River.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact Western Region office at (208) 334-2190; or for a full description of the rights &/or proposed transfer, please see www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp. Protests may be submitted based on the criteria of Sec 42-222 and 42-203A, Idaho Code. Any protest against the approval of this application(s) must be filed with the Director, Dept. of Water Resources, Western Region, 2735 Airport Way, Boise, ID 83705 together with a protest fee of \$25.00 for each application on or before 9/23/13. The protestant must also send a copy of the protest to the applicant.
