RE: Notice of Change in Water Right Ownership No(s). 65-7444B, 65-74445B, 65-13826 and 65-18301

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The additional information needed is:

- Copy of Dorothy F Beal death certificate
- Water rights 65-7444B and 65-7445B are in the names of Dorothy F Beal, Constance L Baker and Roger F Beal so we will need a quitclaim from Roger F Beal to put these rights in the name of Constance L Baker only. I have a copy of the Trustee's deed that gives Constance L Baker the power to convey the water rights to herself. Water Right 65-13826 is in the name of Roger F Beal only. Documentation is needed that gives Constance L Baker ownership of this water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
