Subject: Notices of Change in Water Right Ownership, Applications for Permit

Dear Steve,

Enclosed on behalf of Constance L. Baker and Roger F. Beal (brother and sister) are changes in ownership for seven water rights; four for Constance, two for Roger and one for both Roger and Constance. Their Mother recently died and they are organizing the estate according to the attached trustee's deeds. Both Roger and Constance wish to be listed as owners of water right 65-12959 because the point of diversion is on Constance's property and the place of use is on Roger's property.

Also enclosed are three applications for permit for stockwater and domestic uses.

Check No. 1050 for \$375 and \$100 cash are being submitted for the total filing fees; \$25 for each ownership change and \$100 for each application.

Please let me know if there are any questions. Thanks Steve.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori Graves", is written in a cursive style.

Lori Graves
Water Rights Specialist
