RE: Ownership Change for Water Right/Permit No.: 65-22885 & 65-11272C

Dear Interested Parties:

The Department of Water Resources received your request for a Change of Ownership on water right 65-11272C and water permit 65-22885.

Since 65-22885 is still in the permit stage, an Assignment of Permit is needed to change the ownership. Permits are considered personal property and need to be assigned to a new owner.

I have enclosed an Assignment of Permit form for you. You must have the owners of the permit; Eugene M Shepherd and/or Joni D Shepherd, sign the form and have it notarized. Return the form to IDWR attn: Jean. The filing fees are the same and will be transferred to the assignment. When I receive the assignment, I will update the ownership on both water right 65-11272C and water permit 65-22885.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please contact me at (208) 287-4942. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is fluid and cursive, with a large, sweeping loop at the end of the last name.
