There should be an Exhibit A. The documents you sent are the same. You will need to contact Pioneer Title and find out where that exhibit is.

Jean Hersley,
This is what Pioneer Title provided me as a warranty deed for 539 Hwy 52, Horseshoe Bend, Idaho. I only sent the first page as they looked to me to be the same. Let me know if this satisfies the documents required. Thank you, Patricia Anne Currier

Dear Property Owner:

The Department of Water Resources received your request for a change of water right ownership. After reviewing your request, it was determined information was missing from the documents you sent. Exhibit A was missing from the Personal Representative's Deed. Exhibit A includes the legal description of the property, which we need to determine ownership.

You may send it to me by responding to this email and attaching the document or fax to (208) 287-6700, attn: Jean or mail to:

IDWR

PO Box 83720

BOISE ID 83720-0098

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.
