RE: Change of Ownership for Water Right No(s): 63-8695, 63-161AJ and 63-120H

Dear Water Right holder(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. During our review, it was determined that a division of water right 63-8695 will be required. The deeds provided did not include land located in Township 04N, Range 01E, Section 31, SW¼NW¼ and SE¼NW¼. If you have additional deeds that includes this land, please send them to the address above, Attn: Jean or you may email the information to jean.hersley@idwr.idaho.gov. You may also fax the documents to (208) 287-6700, Attn: Jean. If you do not have additional deeds, additional filing fees will be required.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined the filing fee for this request is an additional **\$75**.

Because the Department cannot process the request for Notice of Change in Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. If you have any questions concerning this letter, feel free to contact me at 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
