Re: Jentzsch Lease

Dear Mrs. Skaggs:

Jentzsch-Kearl Farm purchased a farm from Ardel Wickel in December of 2012. The farm is located in Lincoln County. Transfer 78555 has been submitted to IDWR and has been advertised. No protests have been filed on the transfer.

Transfer 78555 includes water rights 36-16550 and 36-16556, which currently have portions leased to the Idaho Water Supply Bank. In order for the transfer to be fully processed, the portions of 36-16550 and 36-16556 currently leased to the Idaho Water Supply Bank need to be released from the Bank.

I have attached two Water Supply Bank Requests to Release a Water Right From the Bank forms. Please release all portions 36-16550 and 36-16556 promptly.
