RE: Water Appropriation Permit 75-7602

Request for Information

Dear Permit Holders:

In 1993 IDWR issued permit 75-7602 authorizing the development of a right to divert 0.09 cfs of water from Groundwater, within NWNE of Section 19, Township 21 North, Range 22 East, B.M., for irrigation use.

The final step in the water appropriation process is the issuance of a Water Right License. By issuing a license, IDWR recognizes that water has been put to beneficial use in accordance with the permit. For your convenience, I am enclosing a copy of permit(s) listed above.

In an attempt to expedite the licensing process, IDWR would like for you to provide the following information regarding your permit:

Point of Diversion Information:	Photographs of the pump and the point of diversion. If possible, GPS coordinates of pump location – latitude/longitude.	
Pump Information:	Make, Model, Serial Number, and Horse Power of Pump or a picture of the pump plate	
Well Log	Copy of the well log or depth to water information.	
Sprinkler Information:	Size of water line. Size, type, number of nozzles and gallon per minute of sprinklers.	

The photographs submitted should be of sufficient number and at sufficient angles in order to confirm compliance with the conditions listed on the permit.

In addition, I have enclosed a map of the identified Place of Use for Permit 75-7602. Based on the map provided and the 2011 NAIP imagery, 2.0 acres of irrigation have been identified. If additional acreage is being irrigated, please indicate where on the provided map and photographs of the additional irrigated acres. Please note that impermeable surfaces such as homes and driveways cannot be included in the irrigated acreage.

Please provide the requested information within the next thirty (30) days. If I do not receive the requested information or have been contacted by you within thirty (30) days, I will take action to void your permit under the provision of Section 42-219(8) of the Idaho Code.

If you have any questions, please contact me at 208-287-4938. Thank you for your attention to this matter.

Respectfully,
