RE: Notice of Change in Water Right Ownership No(s). 55-4137, 55-4147, 55-4148, 55-4149, 55-10235, 57-86, 57-2127, 57-4109, 57-10499, 57-10898 and 57-11577

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Additional Information is needed before the Department can process this request.

The gift deed you provided doesn't include the NWNE of Township 05S, Range 01E, Section. This portion is 14 acres of irrigation and is also included in the stock water portion of water rights 57-86, 57-2127 and 57-10898. If you have additional deeds that include this portion of land, please send the information to me at the address above or you may email the documents to [jean.hersley@idwr.idaho.gov](mailto:jean.hersley@idwr.idaho.gov). If you do not have the additional information, these three rights will have to be divided, which will increase the filing fee.

Water right 55-10235, located in Township 09S, Range 02W, Section 13 NESE (Gov't Lot 3) isn't specified in the deed you sent. Unless you have additional information, this water right will not be changed into your name.

Also, water right 55-4148 was renumbered to 57-4109 and is not a valid water right.

If you cannot provide the additional information requested, the dividing of water rights 57-86, 57-2127 and 57-10898 is an additional \$225. Minus \$25 for water right 55-10235 and minus \$25 for water right 55-4148, the additional fees required will be \$175.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,
