Re: Change of Ownership for Water Right/Permit No(s): 55-4137, 55-4147, 55-4149, 57-86, 57-2127, 57-4109, 57-10499, 57-10898 and 57-11577

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Water right 55-4148 was included on your request for change of ownership. This water right was renumbered to 57-4109, which was also included on your request. Water right 55-10235, included on your request, was not changed due to insufficient documentation. A refund of \$50 will be sent to you shortly under the cover of the State Controller's Office.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
