RE: Ownership Update for Water Rights

Dear Mr. Stecklein:

Enclosed is the one-page form used to update ownership of water rights. Please fill-in the lines highlighted in yellow and return the form to our office. Scott will need to sign the form. Please include a copy of the deed conveying joint ownership to Scott. Also include a check for \$325.00. The filing fee is \$25 per water right to update ownership. I should only take a couple of weeks to complete the ownership change (adding Scott as a current owner to the rights). Once completed, we will mail you and Scott an updated copy of the water rights reflecting the new ownership.

I am still working on researching the domestic water rights we discussed. One of the water rights, 27-10467, simply had an error in the SRBA claim. The domestic place of use was listed in Section 13 rather than Section 23 (the correct location). The department did not catch the error and it was carried forward to the partial decrees. Two of the other domestic rights, 27-10468 and 27-10469, are also a little bit off. I am currently going through old surveys conducted by the BLM to see if there was a different delineation of the quarter sections in the past. When I am finished with my research, I will let you know the easiest way to get the water rights in the correct location. Please call if you have any questions.

Sincerely,

James Cefalo
