RE: Change in Ownership Water Right No. 13-920, 13-4247 & 13-4247

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** Please supply a full chain of title from the current owners of the water rights in question according to the records filed with the department to you. The current owner of water right number 13-920 is Steffen Christensen and Andrew Jepson. It is possible that a split will be required for this water right. After reviewing the full chain of title if the department determines a split will be required an additional filing fee will be required. The current owner of water right number 13-4247 is Clara Jepsen and Elias Jepsen. The current owner for water right number 13-4249 is Debra Fellows and Wayne Fellows.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
