RE: Notice of Change in Water Right Ownership No(s). 57-274

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The additional information is Exhibit A referenced in the warranty deed that you submitted with your application. Exhibit A contains the legal description of your property and will help the Department to divide the water right. You can mail the document to the address above, email it to: jean.hersley@idwr.idaho.gov or fax to (208) 287-6700, Attn: Jean.

Also, are you claiming any right to the stockwater portion of this right? If so, how is this to be divided? How much stock is going to be watered? The original right is for 100 range cattle. I have enclosed a copy of the water right report for your convenience.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
