RE: Water Right No. 67-11697

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Per my conversation with Sarah on June 26, 2013, I have not received the necessary documentation that is needed for the Department to complete this change.

Please submit the following:

- A copy of the **recorded** conveyance document – warranty deed, quitclaims deed, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.

If we do not receive the necessary documentation within 14 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

Rachel Sommer
