Re: Permit No. 13-7854

Dear Permit Holder:

On July 31, 2013, the Department mailed out a proof due notice certified to the address you have on file with the department. Attached above is a copy of that letter without the enclosures. The certified mail was returned to our Department on August 5, 2013 flagged by the US Postal Service with an address of 320 Hilltop Dr. Apt. 217 Redding Ca 96003-3714. On August 6, 2013, The Department resent the proof due notice certified to the address suggested by the US Postal Service. Again, the certified mail was returned to our Department on August 19, 2013 flagged by the US Postal Service as No Such Number, Unable to Forward.

I would appreciate it very much if you would please call me at your earliest convenience with a current address so the Department can change the address you have on record for this water right permit.

Sincerely,
