RE: Assignment of Permit for Water Right Permit No. ³⁷⁻²²⁷⁴⁴~~95-10027~~
Statement of Completion Due Notice and Lapse Notice

Dear Permit Holder(s):

The Department acknowledges receipt of the assignment of permit for the above referenced water right to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before **August 01, 2013**. Enclosed are copies of the proof due notice and lapse notice which were sent to Lita West "owner of the property" prior to the ownership change of this permit. Also enclosed is a copy of this permit for your reference.

Now that you are the current owners of this permit, either an acceptable proof statement or an acceptable extension request must be received by this Department within sixty (60) days of the date the lapse notice was originally sent.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department or at the department's website at: www.idwr.idaho.gov

If you have any questions regarding this matter please contact me at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
