RE: 2013 Kevin Burgemeister Water Supply Bank Rental Application

Dear T.J.,

On July 11th I emailed you regarding Mr. Burgemeister's water supply bank rental. I completed a preliminary review of the application and found it should be approvable once appropriate water is identified to satisfy the rental. In the email I included a list of rights that as of July 11 were likely available to be rented out. I asked that the appropriate rights be selected by you and/or your client. I also indicated an ESPA analysis would likely be needed given the proposed location of the rental.

To date I have not received further information regarding the proposed rental. Please submit the requested information within fourteen (14) days from the date of this letter, or the application will be returned, unprocessed. If you have any questions, please don't hesitate to contact me at (208) 287-4949 or nick.vandyke@idwr.idaho.gov

Sincerely,
