Dear Sir or Madam

Enclosed is copy of a letter stating that our time for completing our work on our water permit #72-16699 had been extended to October 1, 2017. I just received paperwork stating that my permit number #72-16772 has lapsed and I should cease development. Please let me know what I should do. It was my understanding that I didn't need to do anything unit 2017. I am also confused on why I have two different permit numbers.

Sincerely,

A handwritten signature in black ink, appearing to read "Brenda Bullock". The signature is fluid and cursive, with the first name "Brenda" being more prominent than the last name "Bullock".
