Subject: Notice of Change in Water Right Ownership 85-2120B

Thank you for submitting your request for a Notice of Change in Water Right Ownership for water right 85-2120B. After further review, it was determined that the filing fee was not submitted with your request.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please contact me if you have any questions. Thank you.
