Dear Mr. Nelson,

This is to confirm our telephone conversation on license 51-12983. Due to the Petition for Reconsideration filed by the Bureau of Land Management, I am willing to allow you to re-issue a new license to correct the from storage component by eliminating the following places of use:

NWNE of Section 13, Township 11 South, Range 8 East
NENW of Section 15, Township 11 South, Range 8 East
NWNW of Section 15, Township 11 South, Range 8 East
SWSE of Section 3, Township 12 South, Range 8 East
SWNW of Section 13, Township 12 South, Range 8 East

By deleting these places of use, the place of use for the stockwater from storage components on water right 51-12983 will only describe places of use that I have on water rights already decreed in my name.

Thank you.

Bert Brackett
