Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required for 34-107, 34-10858, 34-10859 and 34-10860 before we can process the change. Water right number 34-13620 is ok to data enter. The information required is indicated below:

**** **Evidence of Water Right Ownership:** Please review the map attached it appears the previous owner retained a portion of the ground associated with the water right numbers 34-107 and 34-10860. Please draw the property boundary on the map enclosed and return it to the department, that will help determine if a split is required and clear up confusion on water right 34-10859. If you did not purchase the entire place of use of the water right but the seller did intend to transfer all the water right, please submit an agreement between all the parties, the agreement must be notarized or a Quit Claim Deed for the water rights only listing the water right numbers. Water right number 34-10858 is located in Section 1 Township 3 North Range 26 East all the property purchased with the Warranty Deed submitted is located in Section 26 Township 4 North Range 26 East.

OR

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right. If the water rights will require a split an additional \$75.00 per water right for water rights 34-107 and 34-10860 will be required for a total of \$150.00. If you will not receive any portion of water right 34-10858 we can apply the \$25.00 from that water right to the \$150.00 making the additional fee \$125.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

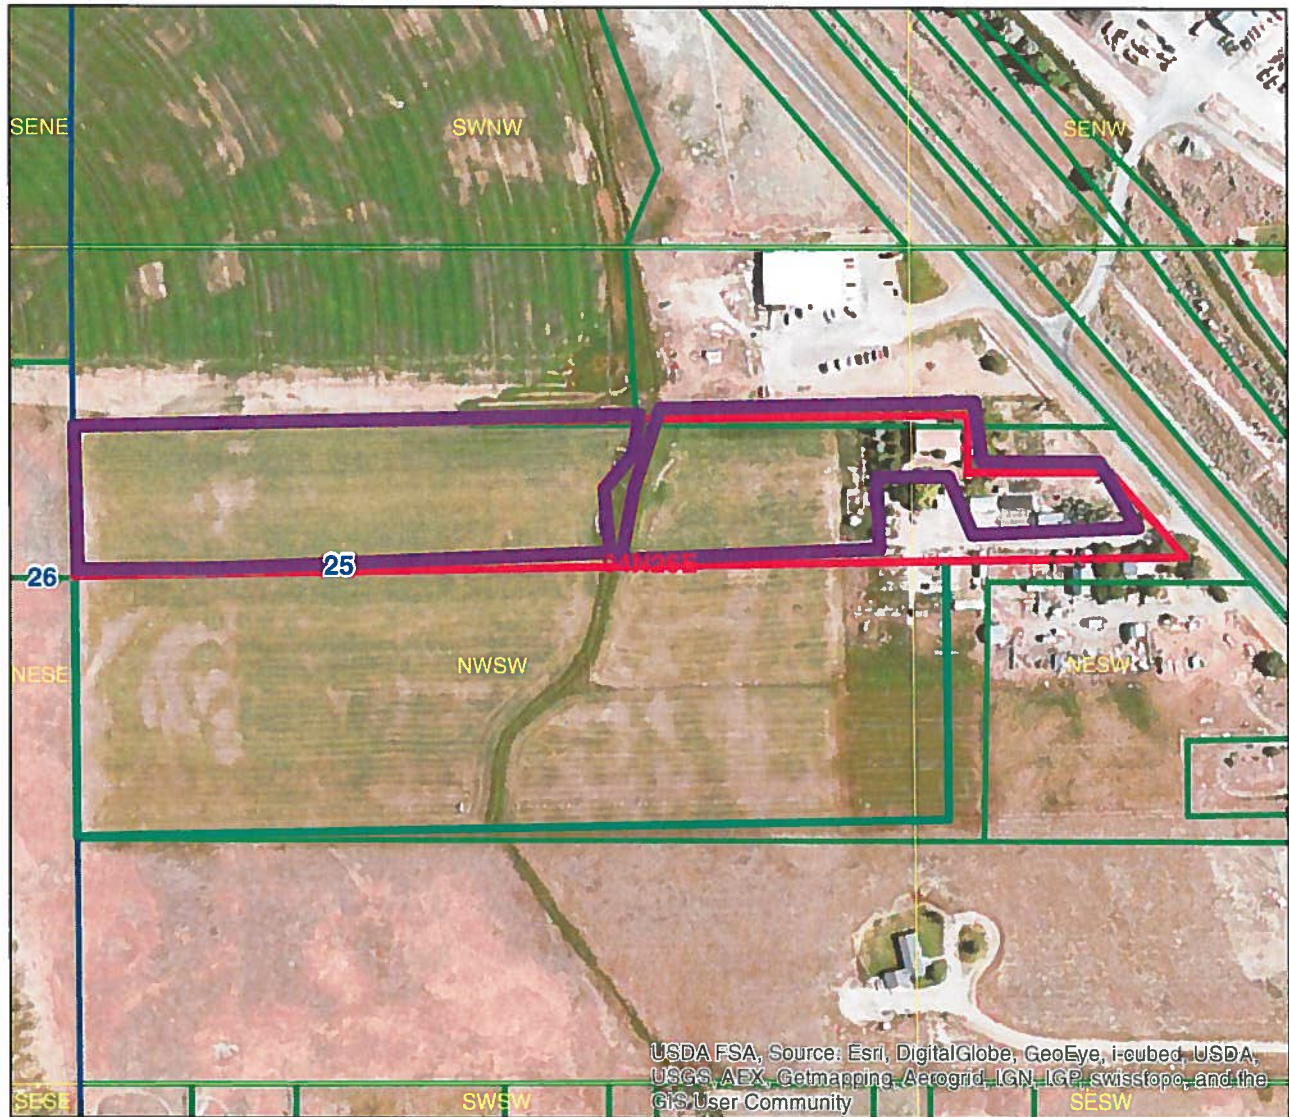

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
