RE: APPLICATION(S) TO LEASE WATER RIGHTS TO THE WATER SUPPLY BANK

Dear Applicant:

The Idaho Department of Water Resources (Department) acknowledges receipt of the application(s) to lease the above referenced water right(s) to the Idaho Water Resource Board's Water Supply Bank (Bank). The initial review your applications showed some discrepancies.

You submitted two applications in the name of Daniel and Jann Moss and one application in the name of Dusty Farms, LLC. Each application requires a fee of \$500 or a total of \$1500. *OK*

Item E on the application asks for a starting and ending of the lease. None of the applications you submitted have this date. *5 YEAR start now*

Enclosed you will find a map of the place of use of each application. Please mark clearly on the map the portions you want in the bank and the portions that are included in the CRP program. If the portions you want to put in the Bank are the same as the portions in the CRP program, we cannot accept these rights into the Bank. *CORNERS MARKED IN BLUE*

If the right is determined to be eligible for acceptance into the bank, the right will be entered into the bank as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required. Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available from the Department's web site, <http://www.idwr.idaho.gov>.

Sincerely,

for *Jann Hursley*
