PROOF DEFICIENCY LETTER

RE: Permit No. 13-7855

Dear Permit Holder(s):

Enclosed is a copy of the Proof of Beneficial Use ("proof") form you filed with the Department on August 07, 2013. This letter is to inform you that the license examination fee was not paid at the time of filing the proof form. The license examination fee is based on the maximum rate of diversion that was developed, and is for the Department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without an examination fee.

The permit was issued with a maximum diversion rate of .04 cfs, from a spring tributary to Sinks which is considered **surface water**. Based on your maximum diversion rate of .04 cfs, the license examination fee is \$50.00. Please submit the license examination fee required. Upon receipt of the appropriate examination fee, the Department will consider your proof of beneficial use to be filed, and will then be able to process your proof.

I will hold this matter for your response for fifteen (15) days from the date of this letter. I have enclosed the instructions for filing proof and the filing fee schedule.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in black ink that reads 'Darla Block'.
