RE: Water Right Claim Nos 13-7893 and 13-7894

Dear Claimant:

The Department of Water Resources acknowledges receipt of your water right claim. Please refer to the above referenced number in all future correspondence regarding this claim.

A legal notice of the claim has been prepared and is scheduled for publication in the Caribou County Sun on August 15 and 22, 2013. If exceptions to the claim are filed you will be sent a copy of the exception(s).

The filing and advertising of the claim does not confirm the water right claimed. It will serve to record and preserve the information and the evidence, including any exceptions, regarding the claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have the information or evidence added at any time. Corrections to the claim may be made by filing an amended claim; no additional filing fees are required to amend a claim.

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100.00 late filing fee. Contact any office of the Department or visit the Internet to obtain the proper forms and instructions.

Please feel free to contact this office if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Sharla Cox". The signature is written in a cursive style with a large, looping initial 'S'.
