RE: Notice of Change in Water Right Ownership No(s). 67-99, 67-102b, 67-10498 and 67-14482

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The additional information required is:

Additional evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question with legal description included.

The warranty deed you provided includes land in Township 16N, Range 01W. The only water right appurtenant to this land is 67-10498. Water rights 67-99 and 67-14482 are located in Township 15N, Range 01W and 01E. Additional deeds will be required before I can change the ownership of these two water rights.

Water right 67-102B was not claimed in the Snake River Basin Adjudication and therefore was decreed disallowed. This is no longer a valid water right so the ownership change will not be made. A refund of will be requested and sent to you under separate cover from the State Controller's Office.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
Technical Records Specialist II
