**RE: Notice of Change of Water Right Ownership for Water Right No. 21-13150, and Split of Water Right No. 21-13149.**

Dear Jonie:

Enclosed for processing are two *Notices of Change of Water Right Ownership*. The first is for Water Right No. 21-13150, which was recently conveyed from Idaho Water Company LLC to Earl Allen. We have included in the appropriate \$25.00 filing fee for this water right because there is no split for it.

We have also enclosed a *Notice of Change of Water Right Ownership* for a one acre portion of Water Right No. 21-13149. In the Exhibit A water right description to the deed, we have identified the one acre as being located in the SE1/4NE1/4 of Township 9 North, Range 42 East of Section 20. The seller has simply requested that you pick one acre within that 1/41/4 section. We anticipate that once you do so, the Department will assign a new water right number for this one acre portion. We have included the required \$100.00 filing fee because the water right is being split.

If you have any questions or concerns, please let us know.

Best Regards,

Robert L. Harris
