Re: *Notice of Change of Water Right Ownership / Application for Transfer*

Dear Sir or Madam,

Our clients, John and Maria Toledo, recently acquired real property located in Ada County, Idaho. Appurtenant to the property were several water rights which were conveyed with the real property. The Toledos would like the ownership of these water rights transferred to their names. Accordingly, please see the enclosed Notice of Change of Water Right Ownership.

Furthermore, the Toledos submit an Application for Transfer - Point of Diversion, requesting the right to add a point of diversion for water right 63-4630 to a well authorized under Transfer 77003.

Lastly, enclosed herewith is a check in the sum of \$1,855.00 which constitutes the application fee for both the Notice of Change of Water Right Ownership and Application for Transfer.

Please contact me with any questions or if additional information is needed to process these applications.
