RE: Stipulation and Joint Motion to Approve Blackfoot Equitable Adjustment
Settlement Agreement filed in Subcase 27-11375

Dear Clerk:

Enclosed with this letter is a replacement page for the first page of Attachment F to the *Stipulation and Joint Motion to Approve Blackfoot Equitable Adjustment Settlement Agreement* filed on July 12, 2013. In assembling the originals of the *Blackfoot River Equitable Adjustment Settlement Agreement Pursuant to the 1990 Fort Hall Indian Water Rights Settlement Agreement*, I inadvertently included the first page from a prior draft of the document. The only difference in the two pages is the deletion of the term "Confidential and Subject to I.R.E. 408" in the title.

Sincerely,

A handwritten signature in black ink that reads "Clive J. Strong". The signature is stylized with a large, sweeping "C" and "S".
