RE: Aberdeen Springfield Canal Company Water Supply Bank Lease/Rental Applications

Dear Greg,

I'm writing to follow up on phone conversations we have had regarding the 2013 lease/rental package for Aberdeen Springfield Canal Company. As we've discussed, evidence is needed that 116 acres of irrigation within Aberdeen's service area has not been irrigated this year to satisfy the rental application for ground in the SW¼ of Section 13 T07S R30E. This place of use falls outside Aberdeen's service area.

Please submit evidence of non-irrigation on 116 acres within **14** days. If nothing is received, I will continue processing the other two rental applications for ground in Sections 23 & 24 T07S R30E but return the 116 acre rental application. As always, please feel free to call or email with any questions.

Sincerely,

Nicholas Van Dyke
Sr. Water Resource Agent
