Conditions of Approval:

1. R02 A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
2. T19 Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
3. Water right 74-249 is supplemental to right 74-404 and may only be diverted when right 74-404 cannot be diverted due to its relative priority when considered together with other rights diverted from the Lemhi River, and shall be limited to the use of one inch of water per acre.
4. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74M.
