Re: Notice of Ownership Change in Water Right No. 65-6423

Dear Water Right Holders:

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

However, Water Right No. 65-18525 has not been modified. This right is domestic and is for 1 home located in the NWSWSW of Township 7N, Range 5W, Section 13. The deed that was provided to the Department shows that the Dejongh Dairy Inc. is excepting that portion of land. A refund of \$25 will be sent to the payer under separate cover.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions, please contact this office at 208-334-2190.

Sincerely,

Rachel Sommer
Administrative Assistant I
