Jean,

Thank you for the call and email. We have settled this matter. We are just waiting on final signatures from my client and then we will file a stipulation to dismiss this action. I would expect that to be filed by the end of this week.

Shelley Keen asked me to contact the parties involved in the Petition for Delivery Call by James C. Scheff and Trudie G. Scheff.

He would like to set up a status conference either by phone or here at the Idaho Department of Water Resources State Office. Shelley would like the meeting scheduled in the next few weeks. Please contact me with your schedules. Thank you.
