Subject: Filing fees for Notice of Change in Water Right Ownership 98-2065

Dear Interested Party:

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. However, we cannot continue to process this request without the appropriate filing fees.

The fee for an ownership change is \$25 **per** water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined the filing fee for this request is an additional **\$25.**

Because the Department cannot process the request for Notice of Change in Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. If you have any questions concerning this letter, feel free to contact me at 287-4942.

Sincerely,

Jean Hersley
