Dear Shelley,

Hydro Logic, Inc. was contacted by Reed DeMordaunt of Castle Rock Development, Inc. and asked to respond to the Department's letters and lapsed permit No. 63-31606. We have visited the site and have found that the permitted water has been put to beneficial use and we are preparing a filing for Mr. DeMordaunt.

Hydro Logic, Inc. will get to this right away and provide the IDWR with a response within the next two weeks.

Than you.
