Re: Withdrawal Requests

Dear Mrs. Skaggs:

Darrell James Baker requests that water rights 36-2668, 36-2467, 36-2453A and 36-13065A be withdrawn from the Idaho Water Supply Bank. These water rights are involved in Transfer 78405 and current rental agreements.

Water rights 36-2668 and 36-2467 cannot be withdrawn from the Water Bank until the current rental agreement concludes. At that time, these two water rights need to be released from the Water Bank.

The release of these two water rights from the Water Bank are in accordance with compliance conference in which Rob Whitney, Cindy Yenter, Bill Mills and Nick Van Dyke of IDWR were present for.

Water rights 36-2453A and 36-13065A are not involved in a rental agreement and should be released from the Water Bank immediately.

Please inform the water right owner, Jim Baker, and myself when release requests have been processed.

Sincerely,

Greg Sullivan, M.S.

Cc: Jim Baker
