RE: Change in Ownership on Water Right License No. 57-11618

Dear Interested Party:

The Department of Water Resources conducted a computer search using ArcView, which indicates that you may be the new owners of a portion of the property associated with the above mentioned water right license. This water right is currently in the name of Marvin Wallin.

If it is your intent to have a portion of this water right changed into your name, a Notice of Change in Water Right Ownership must be filed with the department along with a \$100.00 filing fee for division of a water right. Enclosed for your convenience is a Notice of Change in Water Right Ownership form with instructions, and a copy of the water right license.

Section 42-248, *Idaho Code* requires that all persons owning or claiming ownership of a water right shall provide notice to the department of any change in ownership of any part of a water right or any change in the owner's mailing address.

If you have any questions, please contact Jean Hersley at 208-287-4942.

Sincerely,

Darla Block
Technical Records Specialist
