Dear Kade,

In follow-up to your recent email concerning the place of use for water right 22-7207A, this letter is to inform you of a slight change in the place of use for that water right. I request to have the Place of Use for Water Right 22-7207A listed as 39 acres in the NESE, 39 acres in the NWSE, 39 acres in the SWSE, and 39 acres in the SESE of Section 13 of Township 07 N Range 41 E for a total of 156 acres.

I want to thank you, Mr. Cefalo, and your staff for helping me and my family to correct the problems discovered with the water rights associated with my farm. It is a great relief to know that things are finally correct. If there is anything else I need to do in order to properly complete this process please let me know.

Sincerely

A handwritten signature in cursive script that reads "Rose Irene Hansen". The signature is written in dark ink and is positioned above the printed name.
