RE: Water Rights 35-2189B and 35-11411--Application to Rent Water from the
Water Supply Bank

Dear Mr. and Mrs. Funk:

The Idaho Department of Water Resources (Department) has received your Application to Rent Water from the Water Supply Bank (application) to irrigation land using a point of diversion that is under contract by Richard and Myrna Windburg.

The Department has conducted a cursory review of your application and cannot move forward until all of the questions on the application have been fully addressed.

On your application, under question B.1, you state that you do not own the proposed point of diversion and is owned by Richard and Myrna Windburg. If you do not own the point of diversion you must provide documentation of the authority to use the proposed point of diversion.

Please provide the above information within 14 days so your application can be processed. If the Department doesn't receive the requested information within 14 days, your application will be returned to you unprocessed.

If you have any questions regarding this matter you may contact me at (208) 287-4944.

Sincerely,

A handwritten signature in cursive script that reads "Cherie Palmer".
