Re: Application to Lease Water Right 35-2824 to the Water Supply Bank
ATTENTION: *SIGNATURES REQUIRED*

Dear Mr. and Mrs. Hunter:

On June 24, 2013, the Idaho Department of Water Resources (Department) sent you a letter and two copies of duplicative Water Supply Bank Lease Contacts for your review and signature. In addition, on July 3, 2013, I spoke with you on the phone where you assured me that this matter would receive attention. To date, the Department has not received the two signed contracts.

The Department cannot fully execute the lease until the signed contracts are returned to the Department. In addition, the Department cannot execute the rental of water right 35-2824 to Lisa and Lance Funk until the signed contracts are received. This means that water right 35-2824 **CANNOT** be diverted at this time.

Please submit the two signed contracts as soon as possible. If the signed contracts are not received within **10 days**, the Department will deny your Bank application to lease water right 35-2824. Subsequently, Lisa and Lance Funk's Bank application to rent water right 35-2824 would also be denied. If this occurs, the fees that have submitted will not be refunded and enforcement actions may arise.

Please contact me if you have any questions regarding this matter. You may contact me at (208) 287-4944.

Sincerely,

Cherie Palmer, Sr. Water Resource Agent
Water Allocation Bureau
